Education:

- **Cairo University, Egypt**

September 2016 – August 2022

Bachelor of Civil Engineering

Civil Department – Faculty of Engineering

- **Grade:** Good.
- **Graduation project:** Irrigation and Hydrology.
 - **Grade:** Excellent (The Third Rank).
 - **Skills:** Civil3D - WaterCAD - WMS - HEC-HMS.

Work experience:

- **AEC Software Developer**

June 2024 - Present

INSTUDIO – Full time

- Lead the design, development, and deployment of custom BIM tools across Revit, Navisworks, and AutoCAD using C# and WPF (MVVM) architecture.
- Developed multiple automation plugins to streamline modeling, documentation, and coordination workflows for various disciplines (Structural, Architectural, MEP).
- Integrated APIs such as Revit API, Navisworks API, AutoCAD .NET API, enhancing existing tools with advanced model querying, filtering, and element manipulation features.
- Built Python-based Dynamo scripts to automate repetitive tasks and enable non-programmer teams to customize processes.
- Follow best practices in software lifecycle, including planning, debugging, unit testing, and documentation.
- Collaborate closely with engineers and BIM teams to translate real-world challenges into efficient technical solutions.
- Designed and implemented relational databases using MySQL and Microsoft SQL Server, managed via phpMyAdmin and SSMS.
- Built data-driven applications using Entity Framework Core, applying Code First approach and managing schema changes with Migrations.
- Queried and transformed data using LINQ, enabling clean and efficient data access in .NET applications.

- **Technical Coordinator (BIM Development)**

October 2023 - February 2025

KAITECH - Part time

- Corrected students' coding tasks, Provided constructive feedback and guidance to students on their coding projects.
- Conducted assessments and assigned grades for students' work, maintaining accurate records of their progress.
- Conducted interviews with new applicants to evaluate their suitability for scholarships.

• **Structural BIM Engineer**

August 2023 - June 2024

INSTUDIO – Full time

Projects Names:

- Wadi Safar (WSP).
- NEOM.
- Four Seasons Resort and Residences (AMALAA).
- Roya Sedra Compound (Retal).

Location:

- KSA

Duties:

- Create accurate construction BIM models using Autodesk Revit.
- Produce organized structural Shop drawing sets for various construction stages and participate in discipline reviews.
- Review project structural drawings and specifications.
- Collaborate and coordinate with other disciplines design-changes and model challenges.
- Developed Revit Families for structural elements and annotations.

Technical Skills:

• **Programming & Development:**

Languages & Concepts:

C# (OOP, Data Structures, SOLID Principles, Design Patterns), Python, HTML, CSS and JavaScript.

Desktop Applications:

WPF (MVVM) and Windows Forms.

Web Development:

ASP.NET Core (MVC, Web API).

Database & Data Access:

SQL, LINQ and Entity Framework.

Databases:

Microsoft SQL Server and MySQL (phpMyAdmin).

APIs & Integrations:

Revit, Navisworks, AutoCAD, CSI, Google Sheets and Google Drive.

• **BIM & Engineering Software:**

Autodesk Revit:

Shop Drawings, Modeling, Dynamo and Family Creation.

Navisworks:

Clash Detection and 4D Simulation (with Synchro).

AutoCAD.

CSI Software:

SAP2000, ETABS, SAFE and CSI Column.

Microsoft Tools:

Excel VBA and Power BI.

Diplomas:

- **Route:** Jun 2025 – Present
Front-end Web Development Diploma.
- **Upskilling:** February 2025 – July 2025
Back-end Web Development Diploma – Advanced level.

Internships:

- **KAITECH:** July 2023 – February 2024
Structural BIM Diploma – Partial Scholarship.
- **Information Technology Institute:** March 2023 – July 2023
BIM Automation Development Diploma – Intensive Code Camp.
- **KAITECH:** February 2023 – July 2023
BIM Automation Development Diploma – Full Scholarship.

Trainings:

- **Dar Al-Handasah:**
Central business district – On Site
- **ORASCOM:**
Zed Towers – Hybrid (OSHA)
- **CMB Egypt:**
Qesm El Ahram – On Site
- **Egyptian national railways:**
Ramsis station – On Site
- **The Arab Contractors:**
Panorama Green Mountain Compound – On Site

Languages:

- **Arabic:** Native.
- **English:** Professional working proficiency.
